“ I have many memories of Uncle George; on the boat in Barnegat, then the night Georgie and I caught the sand shark off the dock and Uncle George came out to help us.

Also the pool and holiday parties throughout the summer. Helping Mom make separate bowl of potato salad w/o onions for Uncle George and Georgie.

Who could forget Christmas time.

Another time I remember is how he welcomed Terri into our family and then Kim. It's unfortunate the we all moved away and my boys really didn't get to know him.

I'm not trying to portray him as a total saint,; 'cause none of us are, but he was a great guy to know and fun to be around.

Lastly, I think we all remember the great "deal" he got on the VCR at the Lincoln Tunnel. He didn't see many movies on it, but he could find most anyone's phone number in NYC.

Uncle George will be missed by anyone and all who knew him.

Love you.

“ So sorry to hear about George. I have so many great memories of him. From Great adventure, to pool time ,to just hanging around the family table. To this day I can't have a fresh brewed iced tea without thinking of him. George always made me feel welcome. That smile was infectious. I will miss him dearly. Sending positive vibes and prayers to you all. Love and Peace. Su 🙏🕊️
